Additional tasks or activities
These tasks might not be every week but are set by your teacher to help you with your learning. They might involve reading, finding out about a topic or learning facts.

Spellings

- Any statutory spelling lists and spelling word lists for a year group will be on Year 3 page on the website
- Spellings are taught phonetically, using phonemes and graphemes
- Children are taught a phoneme and then each year group focuses on certain graphemes that represent that phoneme.
- On day 1, children are introduced to the phoneme/grapheme and learn how to spell a set amount of words that include that phoneme
- On day 5 the 12 spellings are tested plus 8 from previous weeks spelling lists.

Handwriting

- We use the handwriting scheme 'Letter Join'. Handwriting is taught daily and children have chance to practise the letters/joins.
