

22nd February 2021

Dear Parents & Carers,

Following the Prime Ministers announcement, I'm sure you are as glad as I am that children will be returning to school on the 8th March!

As of now, no further details of what the return will look like has been published. We don't know what restrictions will be in place or whether any new routines will need to be established. We are awaiting updated guidance from Dudley and the DfE.

Please be assured that we will be ready as we can be for the children to return. The routines and procedures that we put in place prior to this lockdown were robust. There were no cases of COVID spreading in school and all bubble closures were due to positive cases contracted from outside of the direct school community. I am confident that with your support this will continue and we can reopen safely with minimal disruption.

Once we have further details of what the reopening is going to look like I will get back to you with our plans.

We look forward to seeing you all on March 8th!

Yours sincerely

Mr Joel Marshall

Headteacher
