

5th February 2021

Dear Parents & Carers,

At Belle Vue we are always trying to enhance the children's reading experience. Children's enjoyment and success at the start of their reading journey is crucial.

Due to current restrictions surrounding COVID, we are unfortunately unable to provide children in Reception and KS1 with their usual home readers and Big Cat Phonics books. We do however feel that during these unprecedented times it is vital that we continue to support and enrich the children's reading experiences. A subscription to Rising Stars Reading Planet Online Library has been made meaning that children in Reception and KS1 will now have access to a bank of online reading books in a digital format.

Each child will be provided with their own unique log on details which will allow them to access a wide variety of assigned eBooks – **these log in details will follow shortly**. Your child's class teacher will assign eBooks that will be suited to your child's phonics and reading level. Further details regarding this will be shared with you via your child's online learning platform over the coming days.

Further information can be found at: <https://tinyurl.com/y3xfymbg>

If you any questions to not hesitate to contact us.

We hope you enjoy sharing these new online books with your child.

Many thanks for your continued support.

Reception and Key Stage 1 staff.
