

Newsletter for Belle Vue Primary & Nursery School

Dear Parents/Carers: Whilst restrictions have been lifted across the country, cases of Covid in schools remains very high. We have had **10%** of our school population testing positive this week and that number has been static, we are not seeing the rapid drop in cases that has happened in the past. Since Christmas it has been very difficult to source supply staff particularly where our cases are so high as many supply staff will not go into classes with high Covid numbers. Shutting classes for any length of time is not a decision we take lightly and is only done as a last resort and where we can not safely open. **Thank you for your continued support**

School Lunches

A polite reminder that school lunches need to be ordered via the SchoolMoney app. **The office can not input any late orders after 10:30am.** Your child will not be guaranteed a meal if a lunch has not been placed.

Attendance

There are many reasons why school attendance is so important not just to a child's academic achievements but also their social and emotional wellbeing. Our attendance policy can be found on our website. In line with the policy, we will be monitoring attendance and offering support to families whose attendance is concerning. Please call Mrs Bell if you are concerned about your child's attendance.

School Closed to all—Queen's Jubilee

Football Team Sponsor

With our football team developing and matches/tournaments approaching, as a school we need new football kits and tracksuits for our children to play in but to also turn up in looking smart. We are looking for a sponsor to help us provide new sports kit for our teams. If anybody could kindly help us or would like to sponsor our football team with their logo printed on the kit, please could you contact the school office, any help would be really appreciated.

Please can we ensure children have their outdoor kit in school every week as we will be doing as much PE outside as we can. Children are also able to wear gloves, hats, snoods or scarfs if they wish too. It is essential that all children have trainers to wear outdoors as school shoes are not permitted and pumps are not ideal.

- * **Indoor PE kit:** white t-shirt, red shorts and pumps.
- * **Outdoor PE kit:** joggers, hoodie or jacket, white t-shirt and trainers.

If they attend after school clubs and go home in their PE kits please ensure PE kits are returned.

Year 5/6 football will have matches coming up soon! Details are now being arranged for upcoming matches and letters will be sent out.

Unfortunately, year 3 haven't been able to start up their dodgeball after school club yet, but any weeks we have missed I will make sure those weeks are made up after half term and the children get their full 5 weeks.

Unfortunately, due to our COVID outbreak we have had to cancel swimming this week for year 5 and after school club for years 2 and 3. All being well they will resume next week but a message will be sent out again if they need to be cancelled.

Year 1 PE days – Tuesday morning and Friday morning.

Year 2 PE days – Wednesday afternoon and Friday afternoon.

Year 3 PE days – Tuesday afternoon and Friday morning.

Year 4 PE days – Thursday morning and Friday afternoon.

Year 5 PE days – Wednesday afternoon and Friday morning.

Year 6 PE days – Monday morning and Thursday afternoon.

ACE COACHING
