**P.E. lessons** are on Monday and Friday

Children require a full P.E. kit which includes joggers, sweatshirt top and trainers.

**Spellings will be covered in lessons. However, we have sent home and published on the website, the statutory spelling for years 3/4 and 5/6. Please note that these only form part of the required spelling for year 6**

Knowing **Times Tables** to 12 x 12 is essential to many areas and topics in Maths. Children who struggle with these will find some of the concepts covered in Year 6 very difficult.

Please could you ensure that tables are practised regularly. If you need any guidance or details of methods to use at home, please do not hesitate to contact me.

**It is essential that children read at home. Please could you encourage your child to read regularly and complete comments on the GoRead app.**

**Water bottles** should be in school each day. If children forget, teachers have plastic cups but these are not as hygienic as their own bottle.

### Curriculum

Every term we have several items of lost property. Please could you name all uniform to minimise this. Children also need to know how to tie their tie so these can be worn properly after PE.

Maths	Place value, Four Operations
English	Narrative, Persuasion and Poetry
Science	Circulatory System and Classification
History	World War 1
Geography	Mapping skills, Biomes and Climate zones
Music	Listen, appraise and improvise
French	Phonics and Where we live.
PSHE	Keeping Healthy
P.E.	Gymnastics
R.E.	Islam
